

The Landscape

Open daily from 8 am to sunset

The carriage roads are pedestrian only. Please be careful. One may encounter natural hazards including but not limited to poison ivy, ticks, uneven surfaces, falling branches and trees, wild animals, ice, etc. Accessible devices such as wheelchairs and walkers are welcome, but may have difficulty in some spots.

Dogs on leash, controlled, and picked up after are welcome. Greenport town regulations require they have proof of rabies vaccination.

Cars, bicycles, horses, and other modes of transportation are not allowed on the carriage roads with the exception of access to the parking lot in the farm complex and the accessible parking just before the hilltop (look for blue signs on your left just before the hilltop).

Drone use by permit only. Contact the [site manager](#) to apply.

Professional Photography by permit only. Contact the [site manager](#) to apply.

Smoking is not allowed anywhere on this *historic site* nor is any type of grill or open flame.
