Dear Friend,

The Olana Partnership will again reimagine our annual summer event as ***The Olana Viewshed Tour***, which includes a gourmet picnic lunch and will take place on **Saturday, August 14, 12 -5 PM**. Last year's Olana Viewshed Tour quickly sold out and received rave reviews, so we are thrilled to reinvent and expand it this year.

The tour invites participants to safely explore Olana's surrounding landscape and experience some of the best views in our region. We invite you to be a Lead Supporter of this popular event. Our 2021 Honorary Chairs are Olana's neighbors, celebrated author **Brooke Allen** and architectural photographer **Peter Aaron**, who will join us in introducing you to the incomparable landscape which surrounds Olana.

We are excited to present a rare collection of private properties -- a combination of last year's top favorites and new rarely seen locations -- all within five miles of Frederic Church's Olana. The selected properties include protected scenic landscapes and working farms, as well as historic and contemporary architecture set against dramatic backdrops of the Catskill Mountains, the Hudson River, and Olana.

Supporters at the **\$1,500 level and above** will have access to an additional exclusive historic property during the Viewshed Tour, and supporters at the **\$2,500 level and above** will also be invited to a private outdoor cocktail event on **Saturday, September 18** at a spectacular contemporary residence atop neighboring Mount Merino. Like Olana, this Mount Merino home is sited amidst magnificent 360-degree views of the Hudson Valley and beyond, and it masterfully combines art, architecture and landscape, as well as a singular art collection.

Our self-guided tour begins at Olana, where visitors receive a map of the private properties and a gourmet picnic lunch by **Talbott & Arding Cheese and Provisions**. Supporters are invited to drive to these properties in any order. Our tour map also includes a selection of outdoor picnic locations, each with a spectacular view.

Based on capacity, we expect that this year's event will sell out again. **If you reply by June 30, your name will be included as a benefactor on our printed event map.** Your support during this critical time helps The Olana Partnership to further restore, protect and interpret Frederic Church's great masterwork, Olana. If you have any questions, please don't hesitate to let us know.

Sincerely yours,

Sean Sawyer, Ph.D.

THE OLANA PARTNERSHIP INVITES YOU TO A
SUNSET OUTDOOR COCKTAIL EVENT

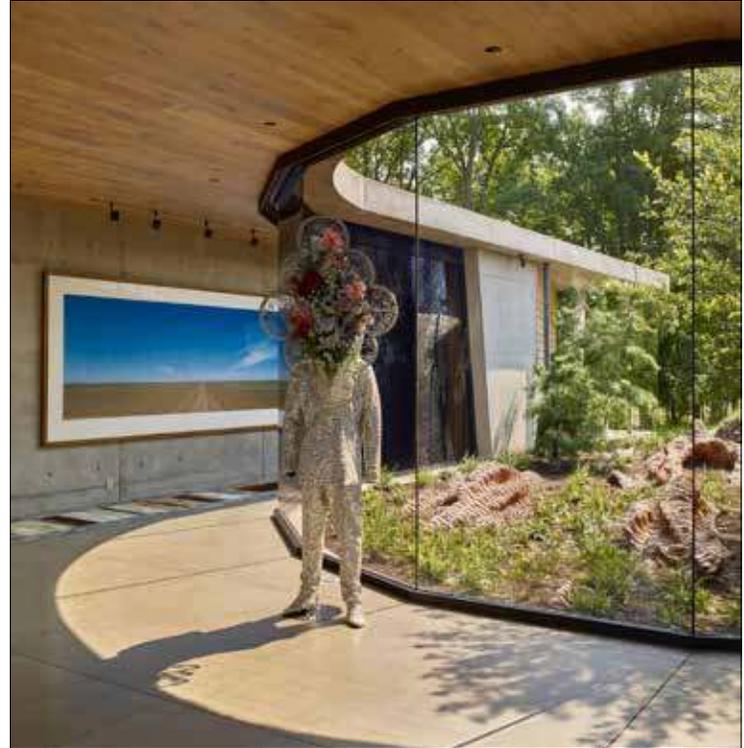

AT A PRIVATE HOME ON MOUNT MERINO

HUDSON, NY | SATURDAY, SEPTEMBER 18 | 5 TO 7 PM

This year's exhibition at Olana, *Cross Pollination: Heade, Cole, Church, and Our Contemporary Moment* opens on June 12 and is a collaboration with the Thomas Cole National Historic Site and the Crystal Bridges Museum of Art. A highlight of this year's exhibition will be one of Nick Cave's Soundsuit series (left), installed in Frederic Church's Studio.

Architecture by KOKO Architecture & Design

Completed in 2018, this home – an integrated environment of art, architecture and landscape – also features a Nick Cave Soundsuit (top right), as well as works by other contemporary artists. Ascend a walkway, cross a 60' bridge over a designed landscape of native stone and specimen plantings, experience heightened Hudson River and Catskill Mountain views, and inhabit a fantastical world at sunset. Much like Frederic Church's Olana, this home has been created by its owners in response to 360-degree views and a spectacular naturalistic hilltop setting.

Lead Supporters of the Olana Viewshed Tour at \$2,500 and above will be invited to this event. An address and directions will be provided after the purchase of Lead Supporter tickets.
